It is rare to come across a Range Rover with such low mileage. This lovely example has covered only 75000 miles which is less than 6000 per year and this can be seen in the condition throughout. Service history present. Presented in grey metallic paint complimented by cream leather interior and sitting on 20" original alloy wheels (including a full 20" spare) this has to be the best example in the country today.

This car boasts heated and cooled seats, reversing camera, park distance control, navigation with television, a detachable tow bar and so much more.

A service and 3 months warranty are included
